

SIMEON PARK RULES

Dear Guest,

Thank you for joining us at Simeon Park! It means just as much to us to have you here as we hope it means for you to be here.

Simeon Park was established to provide a setting for peaceful and natural experiences for Magna employees and their invited guests. Please note we do have **RULES** that are important for every guest to follow to ensure a good time is experienced by all. Please read through these rules carefully. You are required to follow them when you are on site. Magna reserves the right to remove any guest if the rules are not followed.

1. Simeon Park staff will only discuss site bookings or issues connected with the event with the Magna employee.
2. Simeon Park opens at **10:00 a.m.** No guests will be permitted past the front gate until this time.
3. Simeon Park closes at **8:00 p.m.** SHARP! Your party should be packed up and the site fully cleaned up by no later than 7:45pm to allow time for guests to make their way out in their vehicles.
4. Respect Simeon Park staff, always. Use of discriminatory, harassing, abusive or insulting language or behaviour will result in your event being shut down immediately, and you and any other event guests will be required to immediately leave the Park. The Magna employee who booked the site could have his/her employee Park membership revoked, and the details of the incident will be shared with the employee's leadership team and/or HR team as appropriate.
