

SIMEON PARK RULES

Simeon Park is committed to providing a safe environment for all Magna employees and guests. Please note that we have rules important for every guest to follow to ensure everyone can enjoy the park. Please read these rules carefully. You are required to follow them when you are on site. Failure to do so may result in the immediate removal of the Magna employee and their guests from Simeon Park without a refund, the revocation of the Magna employee's park membership, and details of the incident shared with the Magna employee's HR team as appropriate.

1. The Magna employee must be present for the entire duration of an event booking.
2. Concerns and issues related to bookings, memberships, or programs must be discussed between Simeon Park staff members and the Magna employee, not the guest(s) of the Magna employee.
3. Please observe Simeon Park's operating hours prior to your arrival. No guests are permitted past the front gate before the park opens. Guests are expected to be packed up and have their sites cleaned **15 minutes before the park closes** to allow time for everyone to make their way out in their vehicles.
4. Use of discriminatory, harassing, disruptive, abusive, or insulting language or behaviour is prohibited.
5. When parking your vehicle, park as close to the next person as possible while leaving enough room for doors to open. Do not park sideways in the "No Parking" areas. Parking in front of the garage on the west side is not permitted. Please use overflow parking as directed by Simeon Park staff.
6. Do not drive your vehicle to your rented site.
7. Children must always be supervised. NOTE: the parking lot is not a place to play.
8. You are responsible for personal items/property while at the park. Keep your vehicle doors locked and your personal property safe. Simeon Park is not responsible for the loss, theft, damage, or destruction of personal property while you and your guests are on park premises.
9. No pets of any kind are permitted in the park. Should you or one of your guests have a service animal, please advise Simeon Park staff prior to your booking and upon arrival on the day of your event.
10. Confetti, glitter, water balloons, or similar materials are not permitted. Note that the park is on a conservation area, and we cannot clean up all the tiny pieces.
11. Operation of an audio device (including but not limited to radio, stereo, TV, etc.) or sound amplification devices (e.g., bullhorns, whistles, etc.) is prohibited.
12. No bullhorns or FOX 40 whistles.
13. Deposit all garbage and litter in the containers provided. Sites and/or facilities must always be kept clean to eliminate potential hazards to guests and to minimize human-wildlife conflict. If you require additional garbage bags, please see a staff member.
14. Alcohol may be consumed on premises in moderation by guests of legal drinking age. The Magna employee who booked the event will be responsible for ensuring no event guest shall consume excessive alcohol or operate a motor vehicle if impaired.
15. Take your cans and bottles with you or leave them in the supplied bins. (i.e., Do not throw your bottles in the bushes.) If any bottle should break, all glass must be immediately cleaned up and staff notified.
16. Please make sure that your coal BBQ has been fully put out with water. Do not dump the coal on the ground. Notify Simeon Park staff and they will remove it for you.
